CLUB WEBSITE

FROM THE DESK OF THE EDITOR

From time to time we are confronted with real tragedies where families are desperate for help because the breadwinner has been struck down suddenly and his dependants have no one to turn to but the Eighty Club. The latest case is one concerning Mr. John Edward Fernando, married to Bianca nee Outschoorn. They have two children, both of whom are sponsored through this Club.

On a day in July, Mr Fernando was riding his bicycle to give his daughter a lift back from a tuition class. On the way, he was knocked down by a car and rushed to hospital with severe head injuries. After surgery, he was declared 50% brain dead and sent home a 'vegetable.' He just lies there, immobile, with his wife having to do everything for him. He is nasal fed and the prognosis is that he could continue to live in this manner indefinitely. Luckily his mother-in-law lives with them and can assist in his care. One can imagine the plight Bianca found herself in. Her husband leaves the house to bring back their daughter and comes home a wreck who cannot speak, move or otherwise help himself. She came to the DBU and told the welfare staff about her plight and they brought the case to our notice. Immediately, we gave them a pension which would give them an income of Rs.15,000 per quarter and help to keep the home fires burning. The sponsorship of both their children also helped. For obvious reasons, Bianca is unable to go out and work.

This is another sad case similar to that of Mr Stanley de Fry who was in an accident while driving his three-wheeler and was sent home with brain damage, totally unconscious and helpless. When I described this case in the newsletter, many members rallied round with spontaneous donations which helped his wife, Nilmini, get on her feet and re-organise her life. Mr de Fry has since passed away and the family are faring well with a pension being paid to the widow by the Eighty Club.

Our members are never slow to open their hearts and their wallets in these cases and is one reason why I am proud to be a member of the Eighty Club.

CARING FOR THE LESS FORTUNATE

PRESIDENTS REPORT JUNE 2014

They say that all good things must come to an end and this being the end of my sixth year as President of our great Club, I will not be seeking re-election as I feel it is time to step aside and make way for new blood. I must say that I have enjoyed my time as President and it has been extremely rewarding

We have maintained the number of Less Fortunate People we support in Sri Lanka at 215. These Beneficiaries are paid a monthly stipend of Rupees 3000 per month and, where appropriate, a Spouse allowance of Rs 1000 and a Family Allowance of Rs 1000. In addition a Christmas Bonus of Rs 2000 and a Mid-year Bonus of Rs 3000 were also paid. This has only been made possible due to the continued support of all our members, friends and benefactors who not only attend our regular functions, but make very generous donations throughout the year.

Your support and encouragement is greatly appreciated and is the inspiration for all on our committee to keep pressing on. The majority of our Committee members have been serving in this capacity for over 10 years.

I am dedicating this report to thanking all those generous and kind hearted people who through their generosity and willingness to help, have made my task a real pleasure.

Firstly and most importantly to all our Members, Friends, and Benefactors a very big Thank You. Your continued support is what helps this Club to meet its obligations.

To the de Silva family, Lorraine, Victor, Shanaka and Krishan you are a one of a very rare kind. Over the past 15 years these fine folk have donated in excess of \$100,000 and continue to do so. Personally, I have found it a great pleasure to deal with you all on a professional and most importantly on a social level. Thank you very much for your assistance and advice over the past six years.

My thanks also to Padmini and Bala Mahedran for the donation of clothes for the needy in Sri Lanka and the donation of their delicious hors-d'oeuvres provided for our Christmas Dance.

Arleen and Bertie Ekanaike have agreed to sponsor the band for our December Dance and have also donated a number of raffle prizes over the year - your generosity is greatly appreciated.

I would like us to remember those members who have passed away. Bequests to our Club by families of those who have passed away are very welcome and go a long way in helping to meet future obligations. Thank you to all these families who remembered the less fortunate during their hour of sadness.

As usual, our regular lunches and the annual dance were very well supported and I thank the patrons of these functions and the caterers who contribute in no small measure by providing not only very tasty and sumptuous meals but at a very reasonable cost.

A special Thanks to Mazhar and Melanie Rauff, who have been the caterers at the majority of our lunches, for their benevolence. You have been more than generous with your pricing and donations.

Our Christmas Dance will be held, once again, at The Grand on Cathies Lane on the 6th of December. Please continue to support this function which is the jewel in the crown as far as our functions are concerned. Please book early to avoid disappointment.

To all the members of our very hard working committees of Management and Fund Raising, Thank You for your selflessness and dedication to the cause. Without you our Club could not exist. The Good Lord will reward you for the sacrifices you make.

Not many of us appreciate the volume of work our Treasurer, Tony Scarnivel and Assistant Treasurer Melville Knowler, are required to perform. Every year, in excess of 600 invoices have to be forwarded and then receipts issued on payment. Quarterly invoices for Student sponsorship have also to be processed. In addition, Melville has the unenviable task of following up those Sponsors who are in arrears. Please ensure that Student sponsorship payments are kept up to date as these students rely on these funds to pay their school fees. Tony and Melville, your untiring efforts have made my job as President very enjoyable.

Our search for new members continues and I ask you to assist us by recommending our organisation to friends and relatives. Our hardworking and dedicated Membership Secretary, June Isaaks, who also doubles as the MC at our functions, is ever ready to provide any information - A very big Thank you to June.

I am certain that each and every one of you look forward to receiving our very entertaining and informative Newsletter. To produce a document such as this is no easy task and is made all the more onerous by virtue of the fact that our Editor soldiers on in spite of having to undergo Dialysis three days a week and has had to endure other medical problems as well. Darryl! Your efforts are greatly appreciated and provide a lot of entertainment and information to all members. Darryl also is the Welfare Coordinator responsible for maintaining, assessing and coordinating payments to the 215 needy friends in Sri Lanka. Words are not enough to thank you for your efforts. Keep up the Great work. June and your support over the past 6 years is much appreciated.

The Student Sponsorship scheme continues to prosper and grow under the tutelage of Trevor Collette, Thanks Trevor for your friendship, help and advice throughout the year. Prompt payment of sponsorship is appreciated as these children depend on these funds to keep their education going.

Esther and Melville Knower have very graciously agreed to help Tony and Trevor with a number of very onerous administrative tasks, a special Thank you from me.

To our Web Master and Good friend, Earle Ferdinand, Thanks again and the club would be unable to function as smoothly without your valued input.

It would be very remiss of me if I did not thank all those wonderful members and friends who contributed to my special project to provide Christmas Gifts to our sponsored children. Thanks to each and every one of you good folk. I will continue this endeavour if sufficient contributors are prepared to make donations. I am loathe to approach members as we seem to be constantly seeking funds for various projects, however, I can assure you that every request is for a very deserving cause. To be able to see the looks of happiness on the faces of these children is treasured. As donations have been a little less this year, any donation no matter how small will be greatly be appreciated.

To Anthea Muller and her team at the DBU, a big Thank you from me personally and from all the members of the Eighty Club for all the good work and good things that you do. You are a truly Blessed lady and will no doubt receive your just rewards in the future. Etienne, your efforts in attending to the many requests and daily enquires from, not only the Welfare Beneficiaries, but also the Sponsored Children and their families deserves special mention and a special Thank You.

Last but not least, our hard working Secretary, who also has the unenviable task of looking after me and keeping me in line, a special Thank You. Your efforts are greatly appreciated by the committee and me. There is no way that I could have successfully carried out my Presidential duties without your support and input.

In conclusion, once again Thank You and May God Bless you and your families for your generosity and help.

Please keep up the good work.

FOR ALL THOSE BORN PRIOR TO 1950

We are the survivors! Consider the changes we have witnessed – we were born before television, before penicillin, before polio shots, frozen food, Xerox, contact lenses, frisbees and the pill. We were before radar, credit cards, laser beams and ball point pens; before pantyhose, dishwashers, clothes driers, electric blankets, air conditioners, drip-dry clothing and before man walked on the moon.

We got married first, and then lived together. How quaint can you be? We were before house-husbands, gay rights, computer dating, dual careers and computer marriages. We were before day care centres, group therapy, and nursing homes. We never heard of FM radio, tape decks, electric typewriters, artificial hearts, word processors, yoghurt and gays wearing earrings. For us time sharing meant togetherness, not computers or condominiums; a “chip” meant a piece of wood, hardware meant hardware and software wasn’t even a word.

In 1950 “Made in Japan” meant junk, and the term “making out” referred to how you did in an exam or interview. Pizzas, McDonalds and instant coffee were unheard of. In our day cigarette smoking was fashionable, grass was mown, coke was a coloured drink and pot was a thing you cooked in. Rock music was Grandma’s lullaby and AIDS were helpers in the Principal’s office.

We were certainly not before the difference between the sexes was discovered, but were surely before the “sex change” We made do with what we had, and were the last generation that was so dumb as to think that you needed a husband to have a baby.

No wonder that we are so confused and that there is such a generation gap.

But we survived!! What better reason to celebrate. Cheers!

Thank you for sending this in, Rita Young!

"A Measure of the Divine in Us"

The unselfish generosity of forgiveness is a myth. Forgiveness is more important to the one who forgives than it is to the one who is forgiven.

Bitterness, once it sinks like sand in the soul, skews our balance for years to come. It is always there, scratching and digging and eating and burning the heart out of us. We smile at some, of course, but the smile is more pretence than real. We are not really open, not really loving, not really a happy person.

And the end of time draws nearer.

Only we can free ourselves from the burden of bitterness old anger brings with it still. Only we can begin to look for the exceptions that make this a forgivable offense rather than immutable malevolence. Do we even remember clearly anymore what it was that happened? Are we really sure it was as intentional as we have painted it all these years?

Hasn't too much time been wasted on this little bit of nothingness already? Is this the kind of thing we want to have continue to weigh us down as we spend the last of our days, the best of our days? Is this the shrunken end to which we have brought ourselves? Is this the distance we want between us and life, now that we know how wonderful life is really meant to be?

Forgiveness puts life back together again. It is proof of our own learnings. It is a sign of our own inner healing. It is a mark of our own self-knowledge. It is the measure of the divine in us.

—from *The Gift of Years* by Joan Chittister (BlueBridge)

HOW YOUR MONEY IS SPENT

The following WBs passed away in the last quarter and were replaced:

<i>Bridget Mortier</i>	-	<i>Replaced by P. Anderson</i>
<i>Neita Lindsay</i>	-	<i>Replaced by J E Fernando</i>
<i>Rex Gomes</i>	-	<i>Replaced by M. Gomes (wife)</i>

The following WBs had not collected their allowances for over a year and are presumed to be deceased:

<i>Gordon Muller</i>	-	<i>Replaced by V. Nathanielsz</i>
<i>Florence Ingram</i>	-	<i>Replaced by S. De Olivera</i>
<i>Shirley Raux</i>	-	<i>Replaced by P de Zilwa</i>

=====

The Beneficiaries were paid their allowances on July 30th for the 3rd quarter. Some examples of their conditions, despite which they find their way to the DBU to collect this money, go to show how vital this money is for them.

Claude Clark – has had a hernia operation and could not sit. Stood until he was paid.

Clarence Pompeus – had a pain in the heart and took medication while he spoke to Anthea.

Frederick Raffel - has throat cancer and came for his money in spite of it.

Doreen Tradigo - had a fall in the morning but despite being hurt, collected her money.

Evadne van Rooyen – collected her dues but is entering hospital on 8/9/14 to remove cysts in her spleen and kidney.

Marina Francke - Suffering from cellulitis and is under treatment but came and collected her money.

Members who read the above will realise that these poor beneficiaries of ours are greatly dependant on the money that we pay them quarterly though not a princely sum. The cost of living, in Sri Lanka, continues to spiral upwards whilst their quantum of payments remain the same, hence their being frantic when it comes to collecting their benefits. The Club cannot afford to pay them more than they are doing now and have to depend solely on members meeting their present commitments to even continue their present rate of payments. Hence our pleading to members that they pay their membership fees on time and when due. Of course, most members do pay in time, together with a generous donation as well, BUT some members tend to forget and the Club has to spend money on extra postage, etc to remind them. To those who have paid in time, THANK YOU, but to those who have forgotten, please pay your member ship fees now so that the Club can continue its welfare projects.
