PRESIDENTS REPORT

It truly seems, that it was not so long ago, we ushered in a New Year.

Yet, here we are reaching the end of another financial year. Time to take stock of the changes and challenges we faced at the dawn of 2016. Time to reflect on what we have achieved, look towards the future and make conscious decisions to ensure that we are able to continue our commitments to assist and give hope to those in need.

In our personal lives, a part of us is always making plans for the future and our personal selves. We realize that, we cannot view the future in comparison to the past. We simply cannot hope that the good years will outweigh the bad and life as a whole would carry on as before. We have to plan and make the world a better place for all of us. A better future for us and those we endeavor to help.

The last few months have been emotionally challenging as we had to bid a sad farewell to two stalwarts of the Club. Henry Brohier, who served two terms as President in 1994 and again in 2001 and June Isaaks, our energetic and dedicated Membership Secretary and also Emcee at all our lunch functions. Their loss will surely be missed by one and all. Their dedication and compassion to help those 'Less Fortunate', is an inspiration and encouragement for all of us in continuing the work we do. Just as we remember them in our hearts, we should also never forget all those to whom they dedicated part of their lives.

This is what they would want us to do.

With the end of the financial year, it is time once again to renew your Membership and I would like to make a request and plea, that you help us by paying your subscription of \$30 promptly. Reminders by post are costly and your prompt payment helps us immensely.

The Annual General Meeting of the club will take place at 3,30pm, on the 21st August, 2016, at the Good Shepherd hall, Mulgrave and I urge all of you to be present at this meeting.

Hopefully, thanks to your generosity, in the next financial year, we will be able, once again to increase our numbers of Welfare Beneficiaries. The Student Sponsorship Scheme has generated tremendous results and the number of students moving onto tertiary education has been a highlight of the scheme and one that brings great satisfaction to their sponsors.

It is also heartening to note the level of support, we receive from all our members and well-wishers. Your donations, coin collections, monetary gifts to the club in lieu of gifts on your special occasions and the generosity and thoughtfulness of family members, who on the loss of their loved ones request donations to the club in their memory.

To me, it is indeed a honour and a truly humbling experience to serve and be a part of an organization which over the last 34 years has assisted and brought relief to families, improved the lives of the sick and elderly and educated the children, giving them hope for a better future. It has made me reflect and reshape my perspective and values on what I really need and want in life. Most of all it has been a journey of forging great friendships and the satisfaction one can only have, when you reach out to lend a hand to someone in need. Someone you may never get to know or they get to know you. Perhaps you may never see or experience the relief, gratitude or hope in their faces, but I am sure you can always count on their blessings and a prayer in their hearts for you.

Thank You for making their world a better place.

A Tribute to June Isaaks

by Earle Ferdinand

To each and every one of us who knew her, there are many fond memories of **June Muriel Antoinette Isaaks**.

One can only reminisce and remember fondly, the many facets that individualized and made June, the special person she was. There is however, one particular core characteristic that defined her personality and that was her love of meeting people and the friendships she valued over the years. There was no one she did not know. It was not uncommon for June to introduce herself to those she did not know and within a short time, she was their best friend. Her life was filled with challenges, triumphs, and opportunities and she touched the lives of so many people in her 80 years.

Her exuberance in meeting people and making friends, made her the best Membership Secretary, the Eighty Club Melbourne ever had. It will be hard to find someone, as dedicated as June was in this role. Even with the onset of ill health, she tirelessly devoted long hours to the club and the work in hand. It was also fascinating to watch her at the club functions, to see this diminutive lady waltz across the room meeting and greeting every guest. Her late husband Darryl, would sit quietly watching her and remark "June' is working the room". This was June in her element, with that remarkable memory for every face and every name.

June was also a person of remarkable strength. For years she had to watch the love of her life, her husband Darryl, battle kidney problems, and help him cope with dialysis. Her simple philosophy in life was to live it to the fullest and give it everything she could. Losing Darryl, her husband of 58 years, left a large void in her life, yet the warmth and smile on her face when she met you, never reflected the loneliness, pain and sorrow she felt deep down in her heart.

Her greatest pride in life were her children, grandchildren and great-grand children. There was always a photograph, a little snippet of news or an anecdote about them.

She was a true and loyal friend. Yet, she could be feisty and made sure you were aware of her views and opinions, on anything and everything that she did and did not agree on.

June was a very dear friend to my wife Shireen and me and not a day would go by without a call from her. The topics were varied and comprehensive, dealing with club issues, membership, members birthdays, anniversaries, and at times her woes with the computer.

You could depend on June to bring a plate of her famous 'Pol Sambol' sandwiches for all those setting up the hall on fund raising days. A caring gesture that was always very welcome and greatly appreciated. She also revelled in her role as emcee at the lunch functions. Having her burst into song was not uncommon, singing Happy Birthday to all those members celebrating the day. The list is endless and she will be greatly missed by all of us.

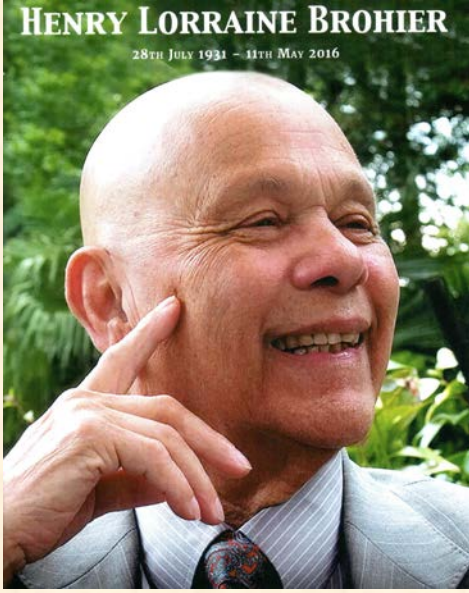

Curiously and contrary to her extrovert and effusive personality, her last stay in hospital, was conspicuous by her unusual request that she had no inclination to receive calls or visitors in hospital. She made these wishes very specific and clear to her children and family members. It was totally out of character for June to make such a decision, as she was always the first to send out Get Well cards, Birthday Cards and basically send cards and make phone calls for every occasion.

On reflection though, June was always one step ahead of all of us. She knew how ill she was, kept it close to her and spared all those she loved, the true facts of her condition and had made her decisions. For her, there was never going to be any farewells. She just could not, would not and did not want the pain and sorrow of farewellling her loved ones and friends. This was not her.

She is now, once again with Darryl, smiling down at us, knowing that she would have never been able to say Goodbye to all those she loved and was so much a part of her life. She would always be there to walk beside us.

We too will never be able to say Goodbye. The memory of her will always be there in our hearts and maybe, wafting and whispering in the breeze you may hear the echoes of her favourite song "You'll Never Know".

'It's Hard to Forget Someone, Who gave Us So Much to Remember'

Henry's nickname from childhood was Chutta, meaning "small baby" in Sinhalese. For those who knew him, that was somewhat ironic given he was anything but small in character, generosity and spirit.

Born in Ceylon, the third of eight children, he was a loveable rascal with a penchant for fun and mischief, a streak, although mellowed over time, never really left him.

He met his wife Pam, when he was an altar boy at St. Lawrence' Church, Colombo. A love affair, not just with her, but also her whole family, who accepted him like their own. On completing his apprenticeship as a planter on a tea estate, he married her at the age of 25 and due to the changing political landscape in

Ceylon, they left for England, with their six month old daughter.

He worked tirelessly, at times holding three jobs to support his young family which by now had grown with the addition of two sons. He became an active member of the union movement, which was a sign of his desire to get involved and make a difference for himself and those of others.

Both Henry and his wife worked hard to keep the home fires burning and once again in the early 1980's, when they were both in their fifties, they made the very courageous decision to emigrate again, this time to Australia.

Henry made friends easily and would talk to anyone. He particularly wanted to encourage in young people the value of an education and was quick to recognize and encourage their potential. He is fondly remembered by many of them for his vision, faith and generosity to them.

In retirement, he involved himself in a number of community organisations. He took on positions of responsibility being twice president of the Eighty Club Melbourne, and a number of roles both in the operation and administration of Puffing Billy, which was a very important part of his life, particularly after the loss of his wife, Pam.

As well as being a choir member for 20 years at St John the Baptist Church, he was also a member of the Lions Club of Croydon and the Over 50's Club of Knox.

Henry had a very endearing sense of humour, one that was honed through his love of British comedy like Morcambe and Wise and The Two Ronnies. Fighting cancer and when he was about to undergo his first chemotherapy session, the nurse explained the process and potential side effects. On asking him whether there was anything he was concerned about – he looked at her, and said "Yes, there is one thing," – "What's that?" she asked and he replied, with a very solemn expression and tone – "I'm worried about losing my hair."

This was the essence of Henry. He surmounted every obstacle with courage, strength and perseverance. Most of all it was that mischievous streak, wit and humour, that endeared him to all.

MEMORIES..... LET THEM FILL YOUR MIND, WARM YOUR HEART AND SEE YOU THROUGH.

My Friend – Henry Brohier

It was a pleasure to have known Henry Brohier, a privilege to have been his friend and an honour to have been considered by him as a friend.

He was a man with very high principles, whose honesty and integrity were beyond question. He was a very caring person, who was always ready to render assistance whenever and where ever it was required, as evidenced by his involvement in various community organisations such as The Puffing Billy Railway, The Lions Club of Croydon, The Over 50's Club of Knox and The Eighty Club of Melbourne where he served as President for two terms of office, during which his guidance and contribution to the Club were highly regarded.

He was a very religious man, and was not only a member of St. John the Baptist Church in Forest Road, Ferntree Gully, but also sang in the choir for the last 25 years.

He was also involved in providing financial support for the education of a girl in Sri Lanka, and prior to his demise, made arrangements to ensure that this financial assistance would continue as long as it was needed.

He was admired and respected by all who knew him and his demise was a sad and tragic loss to all of us.

We pray that God will bless him and that he will rest in peace.

STUDENT SPONSORSHIP NEWS *by Trevor Collette – co-ordinator*

The Student Sponsorship Scheme has been a great success over the years and it is heart-warming for both the club and the sponsors to experience the positive impact it has had on the lives of the students.

Presently there are 135 students in Colombo and 45 in Batticaloa and the support we have for this scheme has been tremendous. The greatest gift you can give any child is an education and help them reach their full potential in every sphere, let it be academic, vocational or professional.

Presently the club has embarked on a project to help these children avail themselves of a notebook or laptop computer and perhaps if you do have one of these gathering dust, we would love to have them and forward them to these children. To be of any benefit, these items should be Windows 7 or above as technical support for older models are no longer available.

Below is a brief synopsis of one of the sponsored students in Batticaloa

17 year old Lourdes Marina Ragel did herself, her parents and sponsors proud by attaining Distinctions in all 9 subjects in her GCE (O Level), an equivalent of the Australian VCE examination.

Her interests, both academically and also in extra-curricular activities have earned her many awards and certificates. She is also an avid musician, learning to play the piano from the Western Institute of Music and Speech and has received certificates in Music theory and practical examinations with honours. She is also a member of the church choir.

Not content with a full curriculum, she has involved herself in studies of Scientific Observations.

Her dream however is a career in medicine and hopes to continue her studies to become a Doctor of Medicine and help the community.

Her father who works as a welder, would have found it difficult to find the necessary funds to help this gifted, talented girl to reach the heights she aspires to. Thanks to the Sponsorship Program and the generosity and vision of the sponsors, this young girl can realize her hopes and dreams.

WELFARE BENEFICIARY REPORT

Silverene Jacotine – coordinator

It is no easy task, working towards the welfare of others, not to get emotionally involved in the pain and suffering, in the lives of those we seek to help. While we hasten to lend a hand to the poor and needy, there are times when we cannot help but shed a tear, feeling their misery and want. How much harder it must be to a mother, to see her son, a bright young man in the prime of his life, struck down by misfortune. One can only imagine her pain, tears, sorrow and her undying love as she tends his every need. The assistance he received through another organization had ceased and subsequently brought to the attention of the Eighty Club Melbourne.

This young man, Jude Reimers was immediately placed as a Welfare Beneficiary of the Club.

No words I can ever write can reflect or portray the eloquence, honesty and feelings of his mother, which I have taken the liberty of detailing below.

DEAR SIR, MADAM,

I AM WRITING THIS LETTER ON BEHALF OF MY SON JAMIE JUDE REIMERS WHO MET WITH A ACCIDENT 16 yrs AGO AT THE AGE OF 18, HE IS BRAIN DAMAGED AND BED RIDDEN. DUE TO THE NEGLECT OF THE HOSPITAL HE HAD A BAD TIME OR BY NOW HE WOULD HAVE BEEN IN A BETTER POSITION, BUT AS WE ARE SIMPLE PEOPLE WE CANNOT BRING THIS TO ATTENTION, BUT OUR PRAYERS HAVE GIVEN HIM AND OUR FAMILY STRENGHT, I HAVE 4 CHILDREN, TWO GIRLS, JAMIE IS THE 3RD, MY YOUNGEST SON IS THE BREADWINNER IN OUR HOME, I WAS A SINGLE MOTHER AND WE DIDNT HAVE MUCH, WENT THROUGH HARD TIMES AND THE CHILDREN WENT TO GOVERMENT SCHOOLS AND DID THEIR BEST, JAMIE WAS VERY GOOD IN SPORTS AND ON HIS WAY BACK FROM PRACTICE THIS SAD INCIDENT HAPPEN, WE ARE A CLOSE FAMILY AND THATS WHAT KEEPS US GOING. I WAS IN WATTALA BUT CAME TO STAY WITH MY YOUNGEST SISTER IN A RENTED HOUSE IN COLOMBO, THE OWNER HAVE BEEN VERY GOOD TO US, BUT THEY ARE GOING TO SELL THE HOUSE, I HAVE BEEN LOOKING AFTER JAMIE 24 hrs, WASH, CLEAN, EXCESISE, CUT HIS HAIR, WASH HIM DAILY AND LOVE HIM VERY MUCH. A ORGANISATION FROM THE D.B.U. HAS BEEN HELPING JAMIE FOR ABOUT 9 yrs BUT STOPPED FOR THE LAST 3 yrs DEAR SIR, MADAM. I HAD TO HAVE A HIP AND KNEE REPLACEMENT 2 yrs BACK BUT COULDNT AFFORD IT AND COULDNT LEAVE MY SON, BUT THINGS HAVE GOT WORSE AND I AM ON THE WAITING LIST FOR MAY.

WORK PLACE AND THINGS ARE GOING TO BE DIFFICULT
IN THE FUTURE, TILL I AM ON MY FEET,
PLEASE DONT THINK I AM TRYING TO SHOW MY
PRECIOUS SON AND MAKE MONEY, BUT I WOULD
BE GRATEFUL IF I COULD HAVE SOME HELP TO
LOOK AFTER MY SON, IN ANYWAY, ITS A BIT HARD
WITH RENT AND EXPENSES, THE CHILDREN HAVE
DELICATED THEIR LIFE FOR JAMIE AND ME AND I
AM A LUCKY MUM, WE DONT LIKE TO WORRY OR THINK
OTHERS HAVE TO DO ANYTHING FOR US, BUT THERE IS
ONE PROMISE I WILL MAKE ON MY SON, IF I GET
AND WHEN I GET A WAY OF STANDING ON MY FEET
I WILL NOT TAKE ADVANTAGE OF YR KINDNESS.
I AM SENDING ALL DETAILS I CAN, PLEASE UNDERSTAND
I LOVE MY SON VERY MUCH, HE HAS GIVEN US THE BEST
MEMORIES AND ALL HE WANTED WAS TO DO A JOB AND
STOP ME WORKING, I HAVE NOT REGRETTED ANYTHING.
I JUST PUT MY HEART INTO THIS LETTER, SO PLEASE
UNDERSTAND THIS IS NOT EASY FOR ME TO ASK FOR
HELP AND WHEN PEOPLE SEE US THEY DONT BELIEVE
WE ARE SIMPLE PEOPLE BECAUSE THE CHILDREN ARE
FAIR AND GOOD LOOKING, BUT WE STRUGGLE WITH A

*"Do what makes you happy, be with who makes you smile,
Laugh as much as you breathe, and love as long as you live."*

The recent loss of June Isaaks has left a great void in our hearts and in her contributions to this page. June was the Hon. Membership Secretary of the Club and dealt with our membership issues and also kept us informed of their special days and events. She was very busy and very active in this role and also in the welfare of our members.

As a consequence of her sudden passing away, we have been unable to access recent correspondence you may have sent to her. We would be obliged if you could resend information concerning future events or queries you may have made to her, as we try to pick up from where she left off and continue with her remarkable work and commitment to the Club.

Thanks for your understanding.

Please share your special days and occasions with us.
