### PRESIDENT'S MESSAGE - CHRISTMAS 2022 - Angelo Herft

As 2022 draws to a close I would like to share with you my thoughts about the festive season. The festive season to me, has always been one of reflection. A time to reflect on the year that has passed by, to reflect on getting together and reflect on the gift of giving.

As 2022 draws to a close, we are gradually returning to a sense of normality after the past two years of uncertainty, with COVID-19. Many of the restrictions have now been lifted and we can all go about our business, working, socialising and being part of that community spirit once again. From the Club's perspective it was good that we finally managed to get together once again, at our fund-raising lunches. Which brings me to togetherness!!

I think it's so important for family and friends to catch up and celebrate Christmas as one unit. Most of us

make the time and extra effort to meet up with those we haven't seen for a while and share a meal and a drink. It's also a time to reflect on those dear to us who are now in God's care and always remember them during this season.

Christmas time is also about giving. As your Club president I couldn't be more proud of the members and guests who have given so generously to those 'Less Fortunate than ourselves'. Our generosity has been spread far and wide assisting nearly 200 welfare beneficiaries and 167 students. Our members continue to epitomize the meaning of giving. Your continued support is not only vital, but will always be appreciated.

None of this would have been possible without the outstanding time and commitment given by all our hard-working committee members. A special thanks to all of you, for your dedication and support. We have come together not only as a community, but also uniting as one large family in togetherness and compassion. This is the true meaning and spirit of Christmas. As we look forward to the festivities of the season with family and friends, let's pause to reflect on those who have nothing and extend to them our support to care for and help them.

Finally, together with my wife Melinda and children Rebecca, Brooke and Josh, we would like to wish you and your loved ones 'A Very Merry Christmas and a Prosperous New Year'.

Another year gone by and soon it will be Christmas. As we slowly move away from the Covid pandemic, we are faced with other natural disasters. Floods have ravaged many parts of the world and the people of Sri Lanka, facing numerous economic problems have also had to cope with constant rain and floods.

One can only reflect on the plight of these poor people, those with very little to call their own, now having to cope with constant rain and floods. Facing these situations in life, one wonders where they find the inner strength and fortitude to face their daily struggles, just

to survive. In a world where billions of dollars are spent on wars and conflicts, it is hard to understand why the poverty of many in this world cannot be resolved. Rather than delve into the political complexities of the world, we can all get together to help as many as we can, especially those in our community who desperately look to us for help. Yes, the needs of many may be insurmountable, yet we can bring relief and help to many and this is better than doing nothing at all.

The Club has been increasing the numbers of Welfare Beneficiaries and this quarter another 7 applicants were approved by the Committee.

I am also happy to announce that a decision was made to increase the quarterly allowance from Rs9000 to Rs12000. Also this Christmas all WB's will receive an additional bonus payment of Rs5000. All this is only possible due to your compassion and generous donations. It is important to continue your funding for the Club to increase our aid to the 'Less Fortunate' members of our community.

There are many applications pending and hopefully we can increase the numbers of approved WB's.

Life is not easy for many and one of the applicants approved this quarter was a 80yr old lady who had a daughter living in New Zealand. A phone call to the daughter in New Zealand elicited the fact that she was a single mother of 2 girls and was finding it hard to make ends meet herself. She was doing her best to send some funds to her mother but unfortunately this aid was minimal.

A further call to the applicant in Sri Lanka provided more detailed information as this poor lady had to look after her ailing husband for a long time until he passed away and in order to pay his medical bills had to resort to borrowing money from loan sharks. To compound matters her son who was working in the Middle East and was helping her, died suddenly from a heart attack, aged 57. To them, the fortunes of life has not been kind.

These are the stories of many of our applicants. While many of them strived through life to make things better and keep the home fires burning, they are now faced with the inability to work and with age related medical problems, these circumstances have compelled them at a time in their lives, to seek help and assistance.

Once again this Christmas, I trust you will dig deep and help these poor people by donating generously.

Let the flame of compassion light up their lives with hope.

Together with Yvonne de Vos, (Asst. WB Coordinator) I take this opportunity to wish you all the Blessings of Christmas and A New Year filled with Peace, Good Health and Every Happiness.

### STUDENT SPONSORSHIP NEWS - Trevor Collette

As always, we are seeking new sponsors to help educate and fund the many poor students seeking sponsorship.

**Education** is the key to balancing the growth of every child.

There are many factors underlying the ability for a child to receive an education and poverty has been the main factor, over the years.

Sponsorship is the most rewarding gift that any individual, charity or oganisation can give a child and indeed, we do have a responsibility to help a new generation. Sponsorship gives financial support for the families by providing educational materials, including school stationery and uniforms. It also helps families to care for these children by providing food and health care.

We need to help a young generation seek knowledge and prepare them for a better future. Knowledge is the only key for this approach.

Education at all levels is a basic need for students. However, it is also important to consider the needs of high school and higher education students to receive full-tuition scholarships and to help these students graduate and move on to a better future of their own. This has been the main focus of many sponsors, and the Eighty Club Melbourne.

The PSET (Post Secondary, Education and Tertiary) study scheme was established by Ivor de Kretser, a past President of the Club. Thanks to his foresight and a generous donation, funds from this scheme is utilized to provide much needed aid to students in University/Tertiary studies.

I would like to thank all sponsors for their commitment over the years and below are 3 young girls looking for sponsorship.

#### Thank You

Ara Alaina Sellar – 7 years Grade 2 - Batticaloa

Loura Clancy Outschoorn -10yrs Grade 5 - Batticaloa

Annabeliya Devitta Stockwes-8yrs Grade 3 - Batticaloa

The main message here is that you can do something for someone and it will be of help at the time, but if you do not teach them how to do it themselves, they will forever be dependent. That is one of the most beautiful things about teaching and education- once you share knowledge or obtain knowledge, there is power and capability gained forever.

### THANKYOU

To All our Members, Sponsors & Well-Wishers for your Generous Support in Helping us care for the Less Fortunate.

"One of the marvelous things about community is that it enables us to welcome and help people in a way we couldn't as individuals. When we pool our strength and share the work and responsibility, we can welcome many people, even those in deep distress, and perhaps help them find self-confidence and inner healing.

Jean Vanier

### GIFTS FOR CHILDREN AT CHRISTMAS

Marie & I could not find any reindeer for our sleigh this Christmas as we would have dearly loved to travel to Sri Lanka once again. To see the smiles on the faces of these children and bring some Joy into their lives would have made it a very special day for us too.

This Christmas, once again with funds collected, each child will receive approx. Rs 3540 as a gift and their families will receive an additional Rs2360 towards a Christmas meal. This is only possible because of you, our generous donors, who have made this time of year so special to many a child and their family.

We express our Sincere Thanks to each and every one of you for continuing with this tradition through the years, making Christmas a special memory for every child, just as it was to all of us.

Marie and I take this opportunity to wish you all of you, the Joys of Christmas, bringing back happy memories of years gone by and our Best Wishes for a New Year filled with All you wish for, Happiness, Good Health, Peace and Prosperity.

The Blessings of Christmas be with you all - Rodney de Kretser.
